

## 7<sup>th</sup> EUROWILDCAT meeting, 9./11. October 2024

### Nehwiller Les Saverne, France

#### PROGRAM 9. October

#### Excursion

#### PROGRAM 10. October

<b>9:00</b>	<b>Start of the Meeting</b>
9:00-9:30	Eurowildcat and scientific programme outline <b>Marco Heurich</b>
9:30-9:50	Actual Status of the Eurowildcat database <b>Matteo Bastianelli</b>
9:50-10:30	Greetings and recent developments in Euromammals <b>Francesca Cagnacci</b>
10:30-11:00	<b>Coffee break</b>
	<b>Pager presentation, reporting and discussion I</b>
11:00-11:20	European wildcat vehicle collision risk across a severely fragmented anthropogenic landscape <b>Matteo Bastianelli/ bastianellimatteo2@gmail.com</b>
11:20-11:40	Modelling and mapping of the European wildcat habitat at a continental scale: update of results and analysis <b>María Alejandra Cuentas Romero / alejandra.cuentasr@pucp.edu.pe</b>
11:40-12:00	Habitat selection based on movement behaviour in wildcats <b>Eva Sánchez Arribas/ eva.sanchez.arribas@gmail.com</b>
<b>12:00-13:20</b>	<b>Lunch break</b>
	<b>Pager presentation, reporting and discussion II</b>
13:20-13:40	Assessment of reproductive Status in European Wildcats <b>Marta Gibellieri / martagibellieri@gmail.com</b>
13:40-14:00	What shapes the home range size of felids: a Pan-European study <b>Noemi Squillaci / noemisquillaci@gmail.com</b>
14:00-14:20	Ongoing wildcat and feral domestic cat health surveillance: insights from the Saving Wildcats translocation and working group update <b>Dr Alice Bacon; Beatriz Alves / abacon@rzss.org.uk</b>
<b>14:20-15:10</b>	<b>Coffee break and Poster presentations</b>
Poster	Return of the Woodcat? Exploring the feasibility of reintroducing wildcats to South West England. <b>Cath Jeffs / cjeffs@devonwildlifetrust.org</b>
Poster	Non-invasive monitoring of European wildcat in the Western Carpathians. <b>Jarmila Krojerová / krojerova@ivb.cz // Martin Duřa /martindulazoo@gmail.com</b>

Poster	European Wildcat vs Hybrids: A Comparative Study of Ecological Niches <b>Sabrina Streif / sabrina.streif@forst.bwl.de</b>
	<b>Conservation projects</b>
15:10-15:30	Social feasibility of a wildcat reintroduction to Wales, UK <b>Jenny MacPherson / Jenny.macpherson@vwt.org.uk</b>
15:30-15:50	Saving Wildcats in Scotland: post-release behaviour of the captive-bred wildcats <b>Keri Langridge / klangridge@rzss.org.uk</b>
15:50-16:10	Initial movement patterns of reintroduced wildcats in Scotland <b>Kerry Kilshaw/ kesserk@yahoo.com</b>
16:10-16:30	Making EPS status work for wildcat conservation in Scotland <b>Roo Campbell / roo.campbell@nature.scot</b>
19:00	<b>Dinner</b>

### PROGRAM 11. October

	<b>Conservation Genetics</b>	
9:00-9:20	Reconstruction of local hybrid swarm formation in European wildcats <b>Lina Martin / lina.martin@senckenberg.de</b>	
9:20-9:40	Field survey and post-mortem analysis of the European wildcat in Hungary: evidence of a high prevalence of hybrids <b>József Lanszki / Gabriella Lanszki-Széles / lanszki.jozsef@blki.hu</b>	
	<b>Conservation Projects</b>	
9:40-10:00	Exploring the risk of hybridisation for a potential wildcat reintroduction into the Southwest of England <b>Sian Moody / sam258@exeter.ac.uk</b>	
10:00-10:20	Dynamics of settlement of a wildcat population in the Kellerwald-Edersee National Park, Germany - possibilities and limitations of the lure stick method in an 18 years ongoing monitoring (2007-2024) <b>Olaf Simon, Carsten Nowak, Achim Frede / olaf.simon@tiereokologie.com</b>	
10:20-12:00	<b>Coffee break and Workshops I</b>	
	Habitat Mapping <b>Alejandra</b>	Mitigation of Hybridisation <b>Sabrina</b>
<b>12:00-13:15</b>	<b>Lunch break</b>	
13:15-13:35	Spatial behavior and habitat selection of wildcats in recolonised lowland habitats <b>Malte Götz / Matteo Basitanelli / m.goetz@deutschewildtierstiftung.de</b>	
13:35-13:55	Possible impacts of wind turbine construction on a population of the European wildcat in central Germany <b>Markus Port / mport@gwdg.de</b>	
13:55-14:15	Changes in a long-term study of a wildcat population. <b>Mathias Herrmann / oeko-log@t-online.de</b>	
14:15-15:30	<b>Coffee break and workshops II</b>	
	N.N.	Reproductive biology <b>Eva, Marta</b>
<b>15:30 – 16:30</b>	<b>Final Discussion</b>
